# THE

THE YEARBOOK OF

PUBLISHED BY

Peoria, Illinois

On the following pages we have attempted to give a full and accurate record of life at Peoria High School in the years 1953 and 1954. We have endeavored to recognize all deserving leaders of the school, but we are sure that there are many unsung conscientious students just as deserving of recognition. They have worked hard and have contributed to whatever success this school year has brought.

The editors feel that the yearbook of a school is important — important not only now when the students and graduates enjoy it, but valuable even more to the reader in five or ten years. One can then look back at the best years of his life and relive some of the fond memories.

### THE CREST STAFF

... 1954

The 1954 CREST staff has chosen the theme of Alaska for this year's book because it feels that it is both timely and of interest to all citizens of the United States. We have adapted the theme to fit our school and have followed it throughout the book.

We ask the reader to note that the activity section is divided into five sections; the first honoring the groups that serve the school in some worth-while way, then the honorary groups, clubs that are formed by students interested in the same subject, music clubs, and dramatic groups. The sponsors of these organizations should be commended for their excellent work.

The editors would like to thank all the staffs who worked so hard all year to make the 1954 CREST successful.

It makes everyone warm inside when they see this memorial over the fireplace on the first floor in the "Rec" commemorating those boys who died for their country during World War II.

## WAKE UP! HERE COMES P.H.S.!

Dear Friend,

Open your eyes! Wake up! Look out! Here comes another year at P. H. S.!

As usual everyone looks forward about the first of September and makes all kinds of resolutions to do better or stay on an even keel, in relation to school at any rate.

Freshmen, especially, open their eyes. There's so much new to see!

Sophomores look again with happy eyes—new and old combine for them!

Juniors look with accustomed eyes—things aren't so new and they are looking forward to beyond Central!

Seniors look, too. This is their final look and they're determined to make it a good one.

Faculty members go along with the idea. Their new classes demand new attention and new knowledge.

All in all, after a summer of rest, everyone wants a new start for a new year.

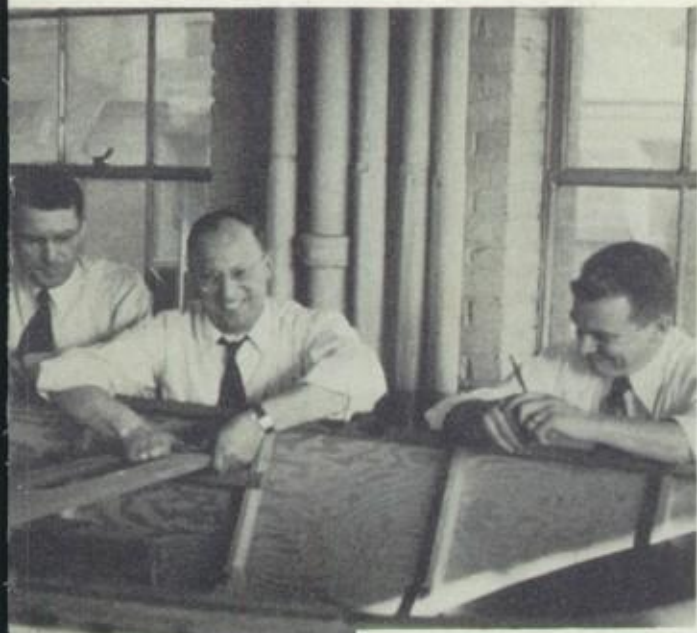

"Why not make this year a good one—better than ever?" everyone asks himself. And they usually do!

Suzy Central

Freshmen, Susie and Becky, say "hello" to many wonderful days!

# TEACHERS TRY TO TEACH US!

We wonder if these teachers might be dreaming of the fishing trips to come.

Our head men confer even at lunch!

Dear you!

Teachers are God's gift to students. That makes sense, doesn't it? Who would ever get out of the rut of being "just a pupil" if it weren't for teachers?

As we all know—there are loads of abuses teachers endure. Here at Central we boys and girls know our faculty members better than at most schools. This is because they seem to have more patience than most—they will help us again and again with work we can't seem to grasp.

Teachers are car-loaded with patience—but who can pound knowledge into a child's head nine months out of a year and then see it slowly but surely wind up in a blank stare at exam time—and still be patient?

They are also more cheerful than most. Very seldom do we come into a classroom and see a grumpy face on a teacher. If they're angry—believe me—they must have a good reason!

They are clever, smart, and interesting. They have to be. They carry new ideas along with the old. They let us benefit by their experiences and are generally open to suggestions.

The student body at Central is composed of

good and bad. I can't imagine having to cope with that moody girl in my English class or the boy that never will answer questions when he's asked in my history class. You have to be a sport to be a teacher!

## UNBEARABLE, THEY?

Even a dramatics department helps our future Barrymores, and in addition, English is carried by everyone for at least three and a half years. Also, special orthopedic and sight-saving classes are held for those who need or want special training.

It's not unbearable to go to class here here at Peoria High! See what I mean?

## LET'S ASSEMBLE—

Dear Pal,

Have I ever told you what marvelous assemblies we have here at Peoria High? And believe me, we have ALL kinds!

## "YOU CAN ALWAYS TELL A SENIOR — BUT NOT MUCH!"

Hello again!

When you finally get to be a Senior—well, you really get to be one. All the past three years of hard work and great fun have built up to this final chapter that's left in high school, and you feel you deserve to be on top.

It's filled with fun and stuffed with memories and includes a dash of sadness and a lot of indecision. You realize that people look up to you and lots of things rest on your shoulders.

Perhaps the added responsibilities that people feel they can trust to you improve your character. At any rate—something does, and in the senior year you really grow up.

In the first place—you never really realized you were a Senior until graduation was finally here. It's hard not to feel sad, but yet it's still harder to feel sad, with all the prospects of the new life before you.

You can look back on all the subjects you've taken, and you see how much you've learned.

No wonder you can always tell a Senior—but not much. And who cares?

## SO LONG! WASN'T THIS YEAR FUN?

Remember me?

Now we can stretch, and yawn, and close our eyes again—This year is over at Central.

The Freshmen can look forward to more awakenings, each better than the last.

The Sophomores think ahead as well as back when they close their eyes. This high school business is getting to be routine.

The Juniors doze a bit fitfully. What will it be like to go through their last year?

The Seniors sleep in a different way. Their past four years are really only dreams now. They've had some wonderful dreams and wonder now how things will go beyond that final diploma.

Of course it has been a good year—Who can claim otherwise? The little disappointments we've all been through only make us work harder.

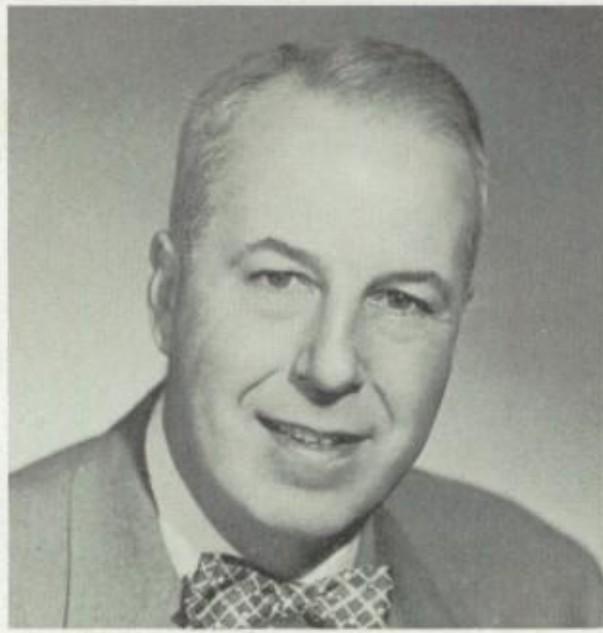

'Bye'bye. Good luck—as if you'll need it!  
Suzy Central

Graduating—Tom and Gene leave some of the best days of their lives behind.

## SENIORS CONSIDER PAST FOUR YEARS A SUCCESS

Miss Kinhofer and Mr. Fluegel helped make our Senior year a success.

As the Seniors step from the stage, diploma in hand, with thoughts of the future filling their minds, they can't help but reminisce a little over their past four years at Peoria High.

Their Freshman year brought with it new friends, a new atmosphere, and many new experiences. Their first event with entire class participation was the Freshman Frolic, a mixer planned to give them an opportunity to make the acquaintance of more of their class mates.

Their Sophomore year was spent bringing into effect the different ideas submitted by the class, which by this time was becoming a unified group.

With their Junior year came the return of the Stunt Show. There was cause for much rejoicing that Friday night when the judges awarded first place to the Junior stunt. Also, plans for the Junior Prom took up much time, but the hard work was well rewarded, for the dance was a great success.

Their Senior year was the most outstanding of the four years. Perhaps their grades fell, but their spirits soared when they won the Stunt Show. Theirs was the first class to win it two years in a row. The Senior Class Play received much acclaim, due to the time and effort put into it by the cast and the directors. Their last project, the Senior Hop, was a gala affair which made a perfect ending for their final year at Peoria High.

Now, as they finish looking back over four glorious years, they will anxiously await the new happenings of future years.

## SENIOR POLL SHOWS PROMINENT SENIORS

The Senior class at Peoria High School has considered itself a united one, with every member at some time or another, entering into the class's various activities. As in all groups, people are interested in and welcome new ideas. This, the Senior Poll, represents a new idea for the Senior Section of the CREST. The Poll was taken during a Senior assembly, with each Senior checking his choices on a separate ballot. The outcome of this project is listed below.

# DEER AND OTHER HORNED ANIMALS

Leading the Junior Class were: Gene Carr, president, Jim Garrott, vice-president, Dick Carver, secretary, and Dan Seiler, treasurer.

How could the Juniors help being successful under their capable advisors, Mr. McCormick and Miss Bibb?

## ALL HAIL THE JUNIORS!

Hats off to Juniors! Many times have they locked horns with the other classes only to emerge the victor. An example of this was Field Day, when as Sophomores, they captured most of the prizes.

The Class of '55 has had many wonderful events they will always remember — the time Girls' Choir sang on television, those math and English tests, Junior Prom, and attempts to survive the last few days of school and recover from spring fever.

Patiently they will wait for the new school year to begin. Confidently they will take their place and follow in the footsteps of the departed class. Soon, they will be Seniors and undisputed leaders of P.H.S.

Those who worked hard to make the Junior Prom a big success are Benny Ann Ziegler, Tom Neumiller, Connie Church, Pam Hewitt, Dick Carver, Dave Powell, Fred Fisher, Brooks McNamara, and Jim Garrott (seated).

## Juniors

These are the efficient girls who run off programs for dances, games, and teacher's exams (?) on the duplicating machine.

"Dragnet", the Junior Stunt, showed the hard work and long hours the Juniors were willing to make their stunt one of the best.

# SEALS AND OTHER SEA ANIMALS

*Piloting the Sophomores through their second successful year are Barb Conway, secretary, Janet Krei, vice-president, Ed Anderson, treasurer, and Joe Suffield, president.*

*The Sophomores owe much to their competent advisor, Miss Fieselman.*

## **SOPHOMORES ARE IN THE SWIM OF SCHOOL LIFE**

The Sophomores, a "whale" of a class, now know their way around the halls and are in no danger of walking into the wrong class.

They have actively participated in every activity open to them. Their stunt show ranked among the best, with the theme, "High Nine."

They enjoyed dissecting "Suzie" and "Oscar" in biology class, a task which was sometimes fun, but quite often unpleasant.

Now, half way through their successful high school days, they are looking forward to being upperclassmen.

## THE UNDERDOGS SCORE AN UPSET

Bow! wow! Woof, Woof! What is it, Fido? Freshmen! The tame little specimens are the newest members of P.H.S. They entered the school lost and insignificant. They soon learned the tricks necessary for survival — getting in lunch line in one piece, staying afoot and alive between classes, going up the "DOWN" side of the stairs, and managing to get from class to locker to class in four minutes without being late.

Nevertheless, each day these domesticated inhabitants have become better acquainted with the master's "Heel!" Someday they will "rule the roost".

Here is one of those precious moments of the Stunt Show that will never be forgotten by those participating in it.

Miss Bibb's homemaking class found cooking fun, especially when it came to making cookies for important parties!

## ORGANIZATIONS

### Organizations Which Serve the School

Many hours of work are spent each week by the members of the groups which have the important job of serving the school. Student Council, Committee of Forty, the CREST and Opinion staffs, Pages and Office Assistants, Ticket Committee, Junior Red Cross, Projection Crew, Stage Crew, Key Club, and Library Club are all important service organizations in which all the members work very hard.

### Honor Societies

There are four honorary organizations which students at P. H. S. should try to join. Seniors and sophomores with good scholarship have a chance of becoming members of Senior and Junior National Honor Societies. Juniors and Seniors who work on the Crest or Opinion have a chance of making Quill and Scroll. Dramatic Honor Society's membership is chosen from those who have taken part in a Jusendra or Senior Class Play.

### Organizations Allied With School Subjects

There are five clubs at Peoria High School which give additional work in school subjects. They try to show the students that these subjects are interesting and have an application for everyday life. Latin Club, German Club, French Club, Spanish Club, and Social Science Club are all very active school organizations.

### Musical Organizations

Peoria High School is well-known for its fine music department. Practically anybody in the school who is interested in music can find a group which is open to him. Girls who like to sing can belong to Girls' Glee Club or Girls' Choir, and boys can join Boys' Glee Club or Boys' Choir. A Cappella Choir, Music Workshop, and the Band are open to both boys and girls. Central should be very proud of these musical organizations, which have brought so much credit to the school.

### Dramatic Clubs

Jusendra and Cue Club are the two dramatic organizations at Peoria High School. The Juniors and Seniors in Jusendra and the Freshmen and Sophomores in Cue Club work hard to put on plays for their own enjoyment and for others to watch.

### Clubs Affiliated With Organizations Outside of School

Three clubs at P. H. S. which are connected with outside organizations are very active groups. The Future Nurses of America has a chapter here at school. Boys who are members of Hi-Y are active in YMCA work. Members of Co-op Club go to school half of the day and work the other half. This is a city-wide school program.

**JIM SOLOMON**  
*President of Student Council*

Jim Solomon, the President of our Student Council, is an outstanding student at Peoria High.

Besides his duties on Council, he finds time to sing in A Capella Choir and be a member of Key Club. These are only a few of his numerous activities.

Jim has led the council in accomplishing much during his year as President of our school. Every student will long remember the determination and excellent leadership he exhibited to keep P.H.S. on top.

## STUDENT COUNCIL is the Governing Body of our School.

Peoria High School's Student Council is a governing body of the students and for the students, which strives to create friendship, understanding, and school loyalty among the students. Officers are elected every spring by the student body in elections conducted by council members. Ex-officio members are chosen by various groups and classes. With

Miss Conway as its capable advisor, the council sponsors homecoming, student directory, student council booth, paid assemblies, and, together with the student councils of the other Peoria area high schools, the Peoria area Sportsmanship Trophy.

## JUNIOR RED CROSS Has Many Worthwhile Projects.

Consisting of a representative from each home room, this organization meets the first and fourth Thursday of each month. This year they sent two representatives to camp and donated food and baskets to needy families. Sponsored by Miss Thompson, this is a most commendable activity.

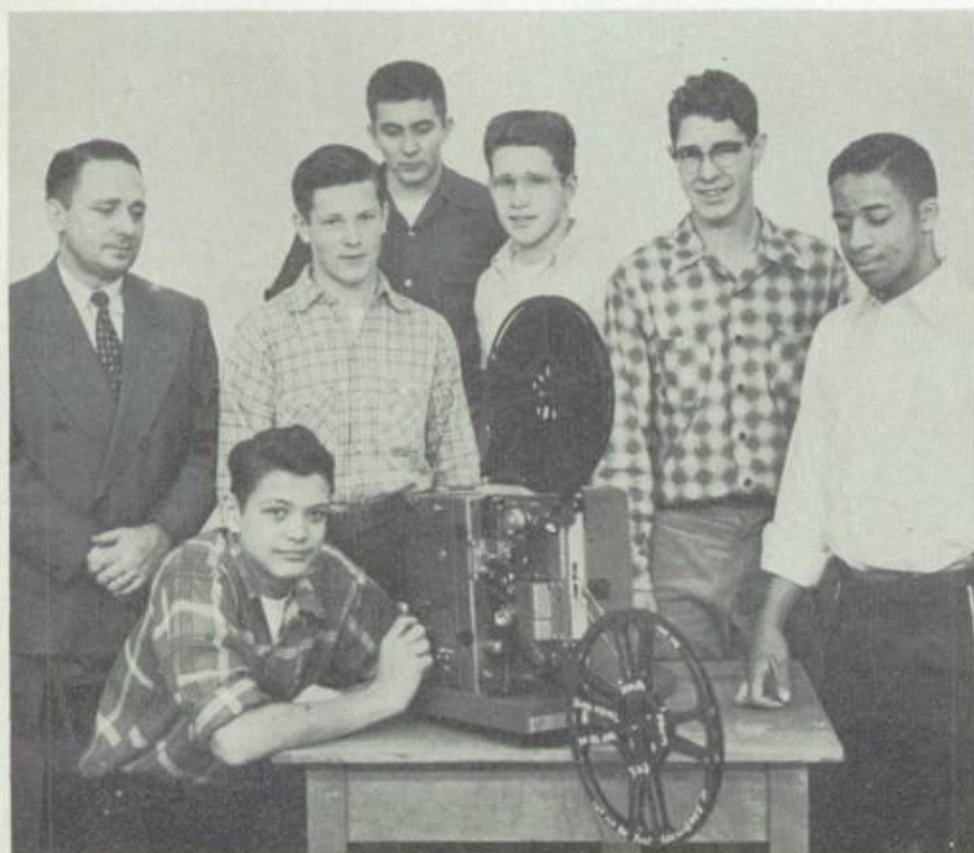

The officers are: President, Becky Miller, Vice-President, Rodney Keefer, Secretary, Bobby Lay, and Treasurer, Marjorie Sours.

## Members of PROJECTION CREW and STAGE CREW Work for our School.

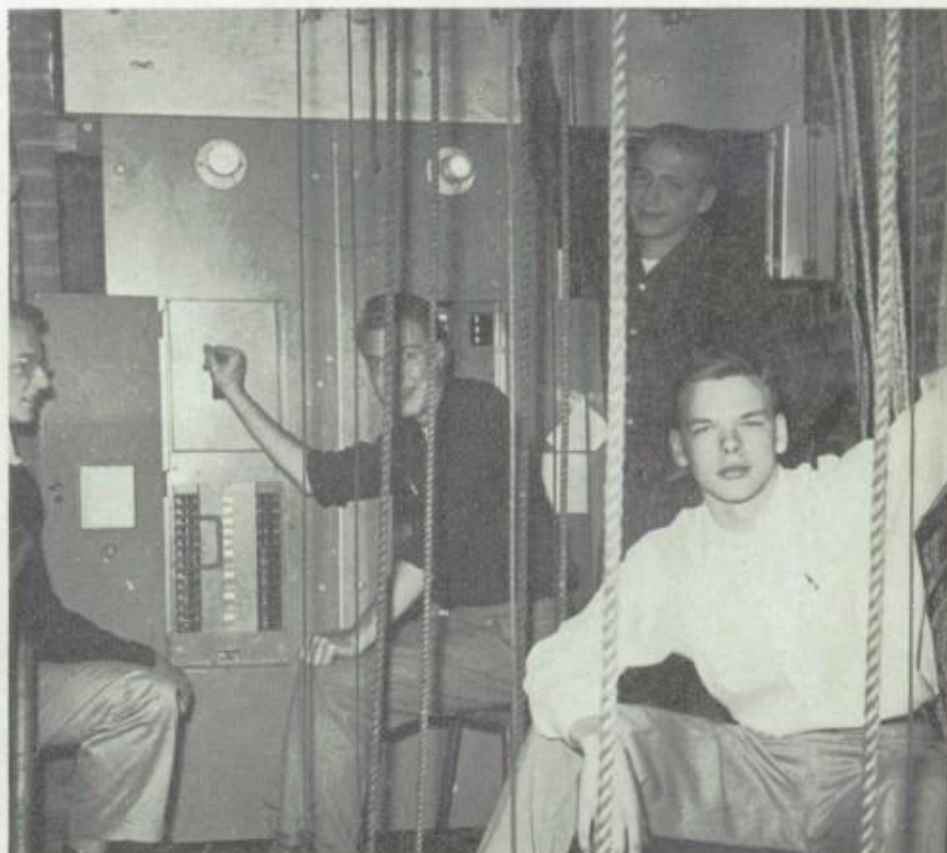

All movies, slides, or illustrated lectures shown in the auditorium or Little Theater are run by our Projection Crew. These boys must be dependable and conscientious because the equipment they handle is expensive and needs careful attention. This is another group of students that is very necessary in our Peoria High School life; but which too seldom receives deserved recognition. Their hard working faculty advisor is Mr. Fluegel. Hats off to the Projection Crew of Peoria High School.

The play selection is good, the coach is the best, the cast has learned all of its lines perfectly — but — if the lighting is ill-timed, the curtains pulled too soon or too late, or the scenery poorly set, the play will be a failure!

The next time you see one of Peoria High's wonderful productions, remember to say a word of thanks to the fine boys who donate so much of their time to help make that play, concert, or pep assembly a wonderful success.

## The CREST Staff

The CREST is Peoria High School's year-book. In a few short years this "memory book" will be something which cannot be replaced. The pages between its unusual and significant covers tell about your high school life.

The CREST staff works diligently from the first day of school until the finished book is in the hands of the eager students. The cover design, the theme, and the dedication of the CREST are kept a dark secret until the day of distribution. But before that day, long hours are spent in making lay-

## COMMITTEE OF FORTY Plans our Social Affairs.

One of the more active groups around Peoria High School is the Committee of Forty, which has the important job of planning most of the school dances. Advisor of the hard-working group is Mr. O'Toole. This year the Committee of Forty has sponsored "The Lions' Hop," a dance held at the "Rec" after every game. It also sponsored many other dances throughout the year, and has conducted several sport tournaments. The contribution which the Committee of Forty has made to the social activities at school is much appreciated by the students of P.H.S.

## KEY CLUB Enters into Civic Activities

Sponsored by the Kiwanis Club, the city of Peoria, and Peoria High School, Key Club is another of our worthwhile activities. The purposes of the club are patterned after those of the Kiwanis Club but are suited to high school boys' interests.

This year, Key Club has donated its services ringing bells for the Salvation Army at Christmas, selling peanuts for the Kiwanis Club, and promoting Homecoming with a huge bonfire. We hope it continues this excellent work in the future.

## SENIOR NATIONAL HONOR SOCIETY Members Must Meet Four Important Requirements

Beverly Sowers  
First Place

These Seniors are chosen by the faculty on the basis of four things: scholarship, leadership, service, and character. Scholastically, they are in the upper third of the class. Leadership includes successfully holding offices and positions of responsibility. Service consists of the placing of school above personal interests. Last is character, which means high standards of honesty and reliability, a good citizenship record, and cooperation with school regulations. Miss Kinhofer, Mrs. Herke, Mr. McCormick, and Mr. Wolpert are the advisors. It is indeed an honor to be a member of this exclusive group.

## Outstanding Student Actors are Chosen for DRAMATIC HONOR SOCIETY

There is the smell of grease paint, the building of sets, and the thrill of opening night! Thus the amateur Thespians of Peoria High earn valuable experience. The Dramatic Honor Society is made up of those junior and senior students selected each year for their dramatic ability. These

actors and actresses are polished for their productions by the student and faculty directors of the school. It is a great honor to be elected to this society sponsored by Miss Wilde. Everyone who participates in one of Peoria High's plays strives to be chosen for membership in this outstanding organization.

## CENTRAL'S GRIDDER'S CHARGE THROUGH A TERRIFIC SEASON

A tie for first place in the Big Twelve was accomplished this year for the first time in the Central Lions' football history. They tied also for the Greater Peoria Football Championship. Their greatest accomplishment, according to Coach Juska, was the defeat of Pekin.

Those on the team who received All State Honorable Mention were Brock Hessing and Jerry Green. Captain Jerry Green also earned Special Mention in the Chicago Daily News.

The team voted as the most valuable back, Don McDonough; most valuable lineman, Brock Hessing; most improved player, Ron Litterst; best sophomore, Paul Armbright.

The season wound up with nine wins, only one loss, and one tie. Coach Juska said, "Our team was not made up of outstanding boys, but they all had the courage to go out and really play ball, even when the going was tough".

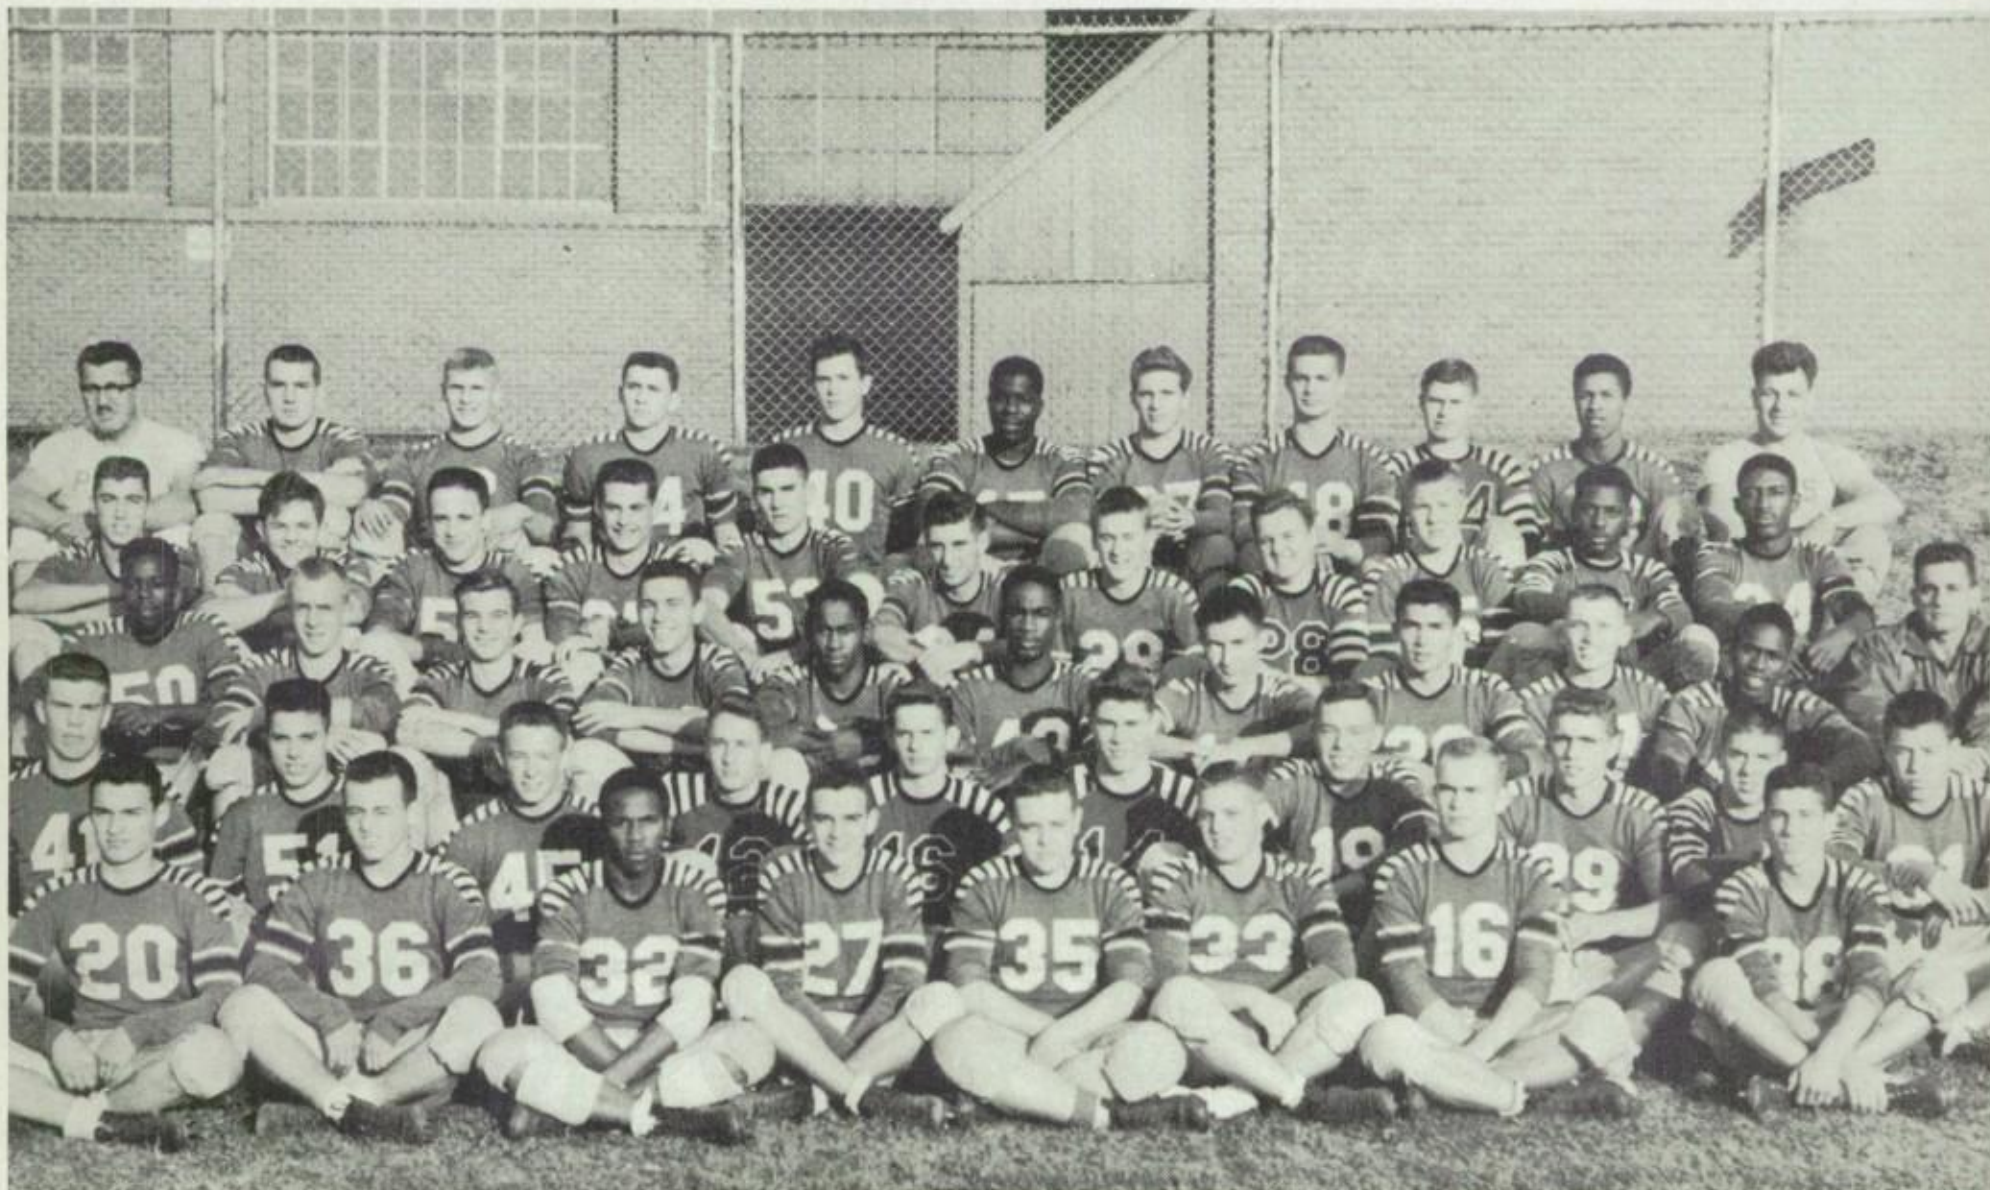

Hearty congratulations to Coach Tony Juska and the team for this very successful season.

## LIONS SPARKLE ON THE DIAMOND

*Ballet, Hiles?*

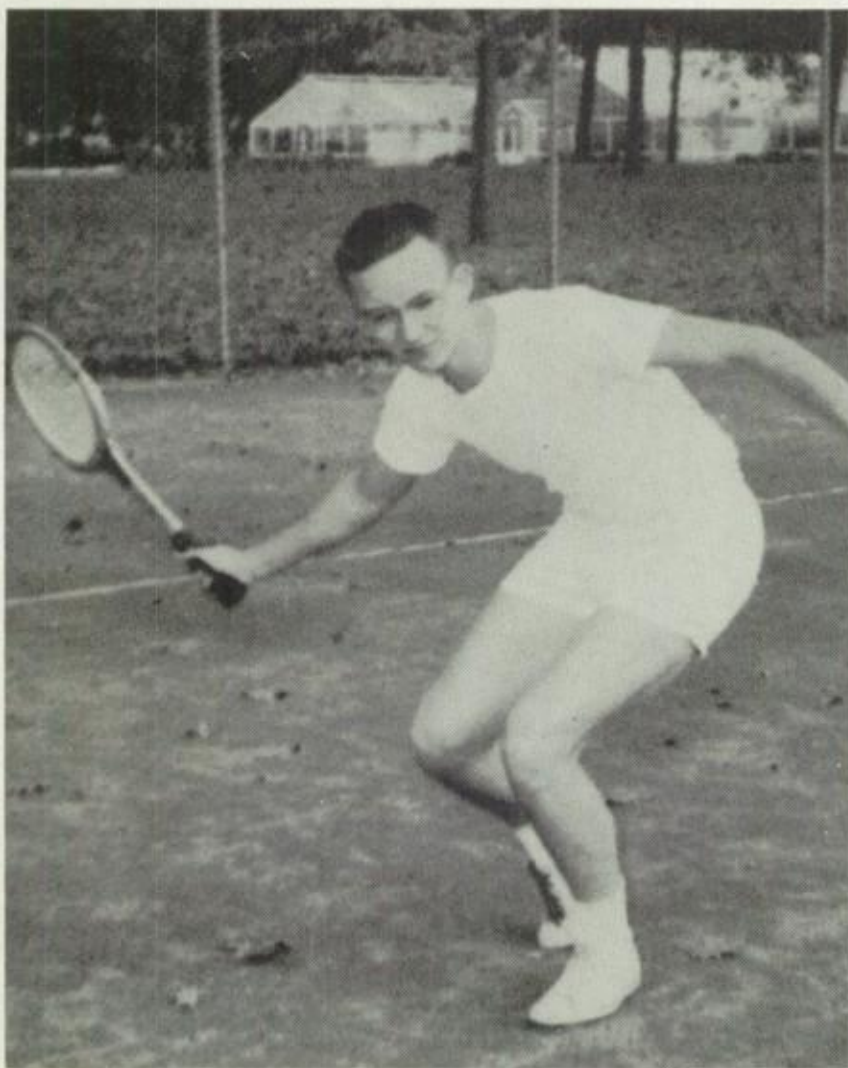

The 1953 Peoria High School Baseball team split the season with eleven wins and eleven losses. Only two members of the '53 team are not back this year. A third senior, Dick Cornelius, was injured in the fifth game of the season and was unable to participate in the remainder of the games.

The leading batters were Bill Smith with .340; Roger Streibich with .311; Hiles Stout with .301. Stout led in runs batted in with 21 in 22 games.

The leading pitcher was Don McDonough with four wins and three losses. He pitched an amazing total of forty-seven strike-outs in fifty-eight and one-third innings on the mound.

We congratulate Coach Bruce Saur and his team for a fine season.

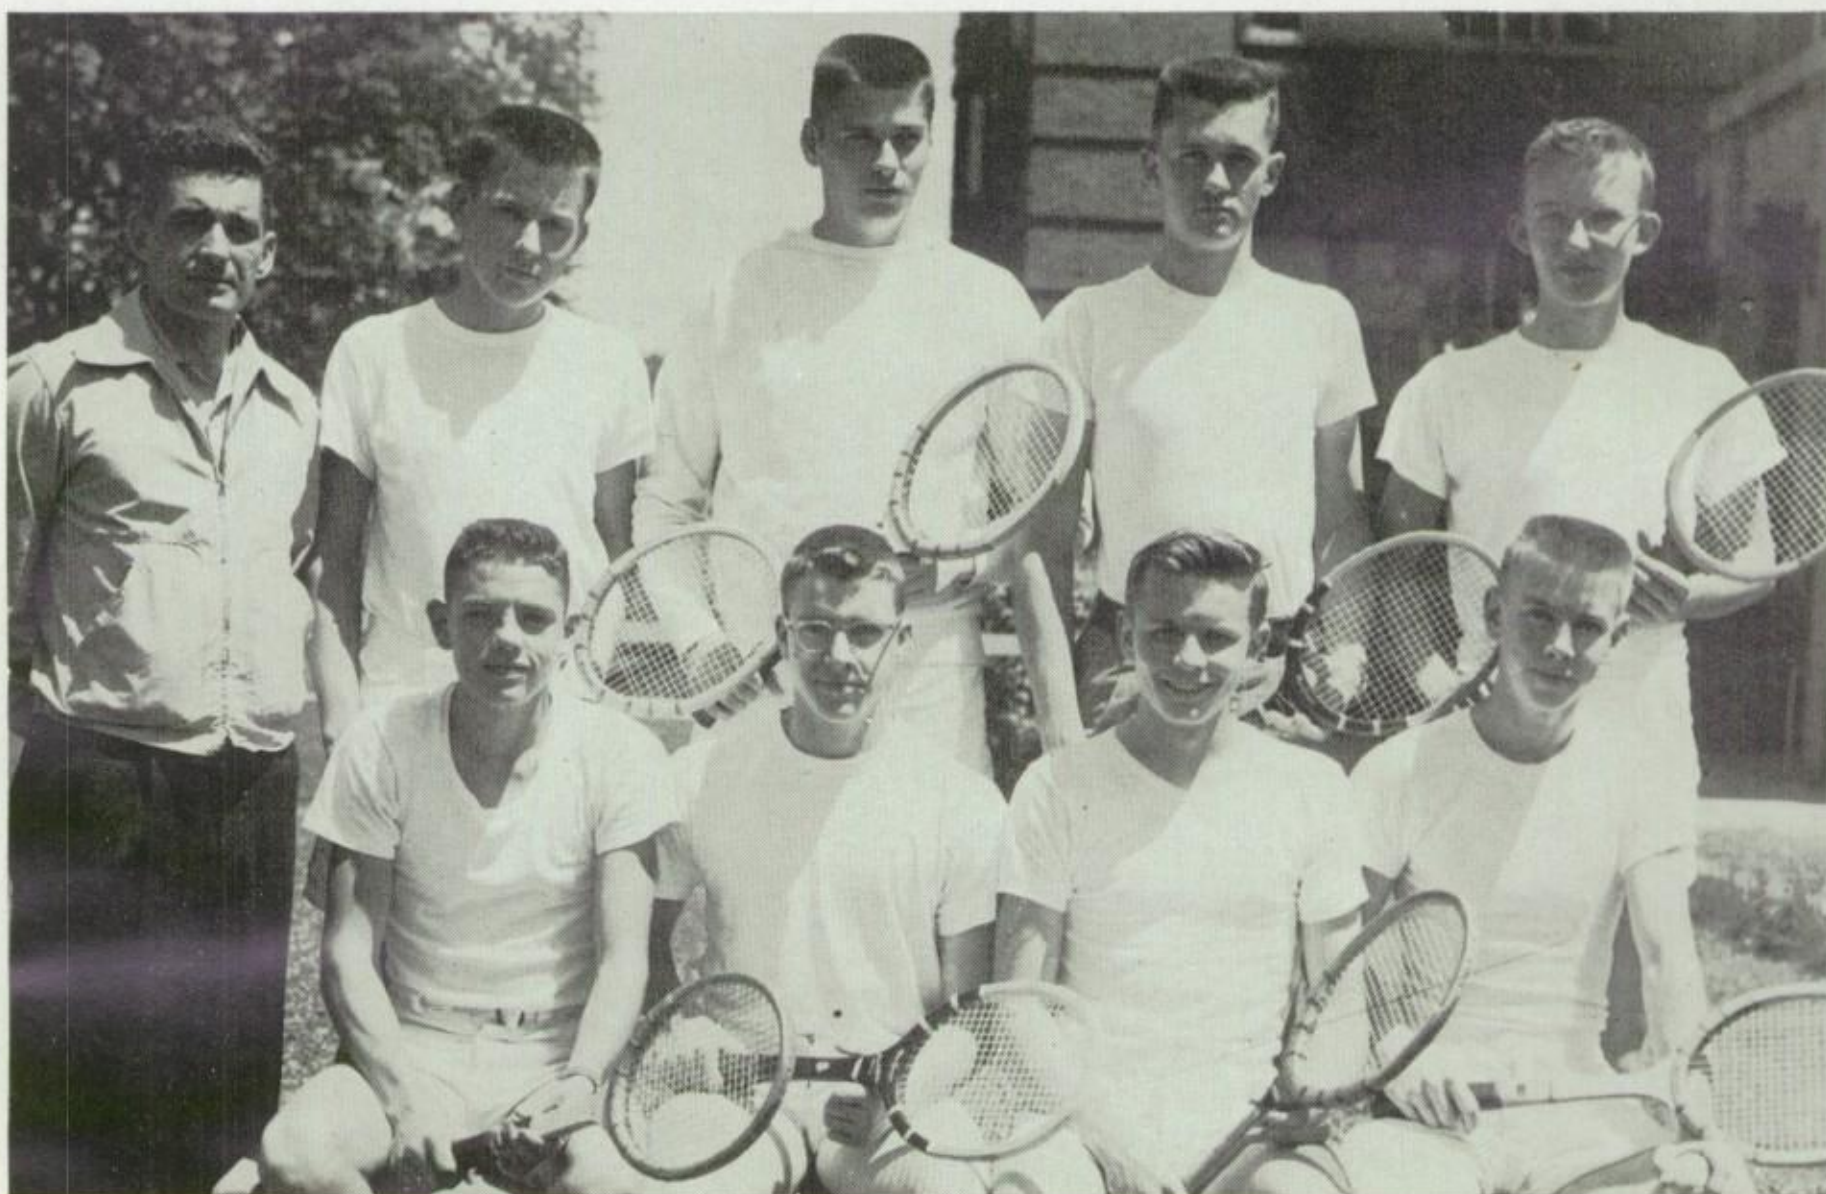

*Here's Rollen, star of the raquet squad.*

## LION NETMEN SERVE US A "LOVE"LY RECORD

Our tennis team under Coach Hawkins completed a most successful season last year, winning eleven dual matches as compared with only two defeats. Central took the District Meet and also won the Big Twelve Conference title.

Central's Dave Tucker placed first in the District singles and advanced as far as the quarter-finals in the state tournament before being eliminated. We all hope Coach Hawkins and his boys will keep up the good work again this year.

TOP ROW—Coach D. Hawkins, D. Harms, B. Enright, J. Loar, R. Halvorsen. BOTTOM ROW—J. Reiman, J. Suffield, D. Tucker, B. Borchelt.

## BOYS DON'T HAVE ALL THE FUN!

Attention all girls who are interested in sports! The girls of Peoria High School have an organization known as the Girls Athletic Association, and they take great pride in belonging to such a fine club. They take part in practically every sport boys do, and in doing so develop their health and personalities.

Did you say you wanted to know how you can belong? Well, any girl, Freshman through Senior, who is interested in sports and good fun may belong.

Those who belong and who are very active receive credit in points for organized sports and in this way try to win an award. The highest award is the state emblem, this year won by Senior Barb Detrick. All awards are presented in a special G. A. A. assembly.

Besides participating in sports, these girls have good times at parties and picnics.

This year's able advisors are Mrs. Blair and Mrs. Wicks.

The Jack Koch Memorial Trophy is annually awarded to the most outstanding all-around athlete of the senior class.

Jack Koch was president of the Class of 1944 and was noted for his able leadership. In his senior year he was voted the "boy most likely to succeed" and was also student manager of the baseball team. Immediately after graduation Jack was called into military service and less than a year later was killed in action. The trophy was originated by members of the 1944 baseball team, of which our own Coach Sours was a member. The trophy was presented to the school at a banquet in 1948.

## The Path To Your Success Is Here At BRADLEY UNIVERSITY!

Bradley, a medium-sized quality university, combines the advantages of the very large university with the personal attention provided by smaller colleges.

Extracurricular activities at Bradley surpass those of all but the very largest universities. Bradley has more than a hundred clubs, sororities, and fraternities catering to a wide range of interests.

Bradley University offers numerous courses in many areas of study. Its free lecture-arts series is not surpassed in any university in the United States. The University is accredited by all the major accrediting agencies.

Under the new "Bradley Plan," a student is given the opportunity to combine his regular college education with military

training in the university's Air ROTC. If his college and military work is creditable, he has a chance for deferment until graduation and for gaining a reserve commission, upon graduation, as an officer in the Air Force.
